

## Arrival/Fit to Fly/Quarantine Orientations – August Arrivals

As we did last school year, we will be hosting Zoom orientations for agent partners, parents and students planning on coming to Delta in August to help them understand and feel comfortable with the processes around arrival protocols and quarantine procedures mandated currently in Canada. Participation in these meetings is very important as it is vital that students understand what to expect from Quarantine and what is expected of them during Quarantine. This is our largest group of quarantiners yet – so we need everyone to be well versed on what to do! Zoom links will be sent out in July. **These meetings are important for both those who will and will not be vaccinated.**

If you don't see your language group here (for example our Thai students) feel free to join any of the sessions that might work for you. All sessions will be in English as well as the language of the Target Audience.
